SUCCESSORS ARE SELECTED

HALL, TOBIASON AND HILL CHOS-EN BY COMMITTEE.

For state senator, L. E. Hall, vice S. W. Stewart, resigned. For representatives, Theodore Tobiason and Parley A. Hill, vice W. H. Bywater

and A. E. Hyde, resigned. These nominations were unanimously made by the Democratic county commit-tee last night in a meeting that was full of ginger and harmony. The name of T. F. Thomas was suggested for one of the house vacancies, but Mr. Thomas de-clared that his business interests would not permit him to go on the ticket. All three of the resignatio were made on account of personal reasons. Judge All three of the resignation on account of personal reasons. Judge on account after considering the relief since the Democratic county convection honored him, concluded that he could not make the fight. W. H. Bywater also found that he would not have time to devote to his legislative duties if he were serted, and he was convinced that he and the entire Democratic ticket would be elected.

Mr. Hyde's Letter.

Mr. Hyde sent the committee a formal ctter setting forth his reasons for get-ing off the ticket. The letter follows: Salt Lake City, Oct. 16, 1906.

Salt Lake City. Oct. 16, 1906.
To the Chairman of the Salt Lake County Democratic Committee:
Dear Sir—On Oct. 10 my name was placed before the Democratic county concention for nomination to the lower house of the Utah legislature and I received the indersement and nomination to that office of more than a three-fourths vote of ce of more than a three-fourths vote of

fice of more than a three-fourths vote of the entire convention.

Since my nomination to that position the organ of the misnamed "American" party has attacked my eligibility to election, on the ground of my being a polygamist, and has claimed that I have been waited upon by nominees on that ticket and other Democrats, who have requested me to withdraw my candidacy.

me to withdraw my candidacy.

I have made it a rule of my life not to seek counsel or advice from my opponents or to follow their dictation, and those who know me best will give me credit for being one who does not readily retire

I most emphatically deny that I am laboring under any political disability. I accepted the princip a of polygamy at a time when there was no recognized constitutional law prohibiting the practice of the same in the then territory of Utah, and after the law prohibiting that practice was declared constitutional by the supreme court of the United states, and prior to the admission of Utah into the Union, I received, with others, complete amnesty from the president of the United States for any violation of a law which States for any violation of a law which we had previously regarded as being unconstitutional. This amnesty fully restored to us all political rights and privileges which we might have previously forfeited or jeopardized. And as a free American born citizen I claim all the rights and privileges accorded to any other citizen of our Union, and I am at the defiance of any man to show that I have

to emphatically deny the assertion that any Democrat has shown himself so bigoted or narrow-minded as to request me to withdraw my name from the ticket. While I stand ready to maintain my God-given rights at any time and at any God-given rights at any time and at any cost. I desire to make it clear to you at this time that I am a Democrat through and through. I believe I was born a Democrat, I am confident I will die a Democrat, for' I firmly believe that the broadest structure of liberty, prosperity and happiness to the people of this nation is builded upon the foundation stones of Democracy, and I trust I will never of Democracy; and I trust I will never become so blinded by personal ambition as to do aught to endanger Democratic whenever a political battle is

waged.

I believe, Mr. Chairman, I realize to a large extent at least, the gravity of the situation which confronts us in the coming election. In the declaration of principles adopted at our last state convention we have defined in unequivocal terms. platform upon which we stand. If succeed in electing our ticket in Nowember we will have removed the last possible excuse the so-called American party can offer for its existence in Utah. Realizing that possibly my name upon the legislative ticket might cause some the legislative ticket might cause some who are unfamiliar with the facts as they actually exist to be led by the sophistry of the "rule or ruin" part to doubt the loyalty of our party, and of every candidate upon the Democratic ticket to every plank of the platform adopted at our last state convention, thereby depriving that ticket of some support which we might otherwise obtain, and not from personal therwise obtain, and not from personal otherwise obtain, and not from personal fear of any attack that has been or may be made upon me by the local organ of religious hate, intolerance and corruption, I desire now that my name be removed from the county legislative ticket.

wish it to be distinctly understood that I do not relinquish any of my political rights, for I claim all the rights that any loyal citizen of our country enjoys; but I take this step to prove my loyalty to my party, and for the purpose of allaying prejudice and establishing confidence between "Mormon" and "Gentile" Democrats. in the hope that that obnoxious distinction may be soon and forever buried by a united and victorious Democracy in Utah.

Well Known Nominees.

The nominees are all well known and The nominees are all well known and popular citizens. Mr. Hall has been a resident of Salt Lake City for many years. As a county commissioner he made a record of splendid service that no commissioner has surpassed and that very few have equalled. That his nomination will add strength to the ticket will be generally conceded.

amusement hall on Second street, near C street, beginning at 8 o'clock. Judge Powers, Fisher Harris, S. L. Richards and others will be heard there.

At the conclusion of his talk Judge Powers will step into a waiting automobile and go directly to the Federation of Labor hall on South State street, where he is scheduled to begin talking at 8:30. Judge William H. King, James H. Moyle. Ashby Snow and others will entertain the crowd there, beginning at 8 o'clock. The rally in the Sixth ward meeting house, 448 South Third West street, also begins at 8 o'clock. Here Frank B. Stephens, Philip S. Maycock, W. W. Ray and perhaps others will precede Judge Powers, who is due to arrive at 9:15.

The concluding rally of the evening is scheduled for the Ninth ward meeting house, at the corner of Fifth East and Fourth South streets. Judge King will speak here also, as will Lyman R. Martineau, John Clark, Sam Russell and others. Judge Powers expects to begin his talk at 10 o'clock. The addresses will necessarily be brief, but it is promised that they will be direct to the point and very interesting. The Democratic county and state committees extend to the public a cordial invitation to attend any or all of the meetings.

ALAS, POOR ROOSEVELT!

Sanpete County Candidates Want Election to Vindicate President.

(To The Salt Lake Herald.) The Republican county committee of Sanpete have engaged space in the Ephraim Enterprise during the campaign and last week they gave us a column of senseless rot about standing by Roosevelt senseless rot about standing by Roosevelt and his administration, saying that a vote for any other party would be a vote of repudiation of Roosevelt and his policies. They then concluded their article by saying that there is no politics in sectional issues. This is Republican consistency. This week's issue is devoted partly to abusing some candidate who sought a nomination for a county office at the Mt. Pleasant convention. The candidate referred to, no doubt, resides at Ephraim, and if reports are true, was defeated by and if reports are true, was defeated by the treachery of an apostate Democrat, who was seeking his reward for changing his politics. While the political articles appearing in the Enterprise are presumed to come from the county committee, they bear the ear-marks of this treacherous pettifogger.

In this week's issue of the Enterprise the committee plead with the Republicans of Sanpete to sustain the Republican ticket, saying that some of the candidates are nominees for a second term, are capable men, and as to the other candidates they are also capable men to hold the position to which they aspire. No statement could be further from the truth. The election of one of them will be nothing less than a graft upon the taxpayers, because of his social incom-petency, and the result will be that the taxpayers will be burdened with extra

Another of the Republican nominees has an unclean record, well known throughout Utah that should keep him a private citizen the remainder of his life. Common decency would have suggested to him that his election would be an offense to every right minded person in this fense to every right-minded person in this country regardless of party affiliations. Such, however, seems to be Republican

politics in Sanpete county.

The Democrats have nominated a ticket of clean, competent men, and their elec-tion would mean a saving of hundreds of dollars each year to the county.

stored to us all political rights and privileges which we might have previously forfeited or jeopardized. And as a free American born citizen I claim all the rights and privileges accorded to any other critizen of our Union, and I am at the defiance of any man to show that I have violated any law of my country that would deprive me of any of those rights, and, if necessary, in order to maintain them, I am ready to fight/to the last ditch.

No Request to Withdraw.

I desire to thank the Democratic country convention for the honor it conferred upon me by the nemination, and particularly do I feel grateful to the Third precinct delegation, who honored me with their unanimous support, and I assure them and you that I stand solidly upon the Democratic platform, and will ever be as ready to devote my best ability and energy to the interests of my party as though I was an aspirant to the highest office in the gift of the nation.

No Request to Withdraw.

I take pride, Mr. Chairman, in believing that I am loyal to my church, to my country and to my party, and I am one of those who believe the desire to thank the Democratic country was held by the Democratic party of Summit country today. Country Chairman J. L. Boyden called the convention to order and with a few brief remarks, predicted success for the Democratic party. George Smith of Park City was named as temporary chairman and energy to the interests of my party as though I was an aspirant to the highest office in the gift of the nation.

The rooster was adopted as the Democratic emblem. One section of the plat-form reads: "We call attention of the form reads: "We call attention of the voters of the county to the past condition of the public highways throughout the country, and we pledge ourselves to remedy it if elected. We pledge our loyalty to O. W. Powers." The state platform was reaffirmed with great enthysiasm. thusiasm

ROYLANCE IS HOPEFUL.

Former Mayor of Provo Predicts Democratic Success.

William M. Roylance was in Salt Lake from Provo yesterday bubbling over with enthusiasm for the Democratic state ticket. Mr. Roylance expressed the belief that the Democrats had a splendid chance to carry Utah county, both for the state and the county tickes.

Secretary John E. Clark of the Democratic state committee said last pight.

cratic state committee said last night that he had received reports from several outside counties to the effect that the Democrats are organizing and that they are confident of victory. The prospects are confident of victory. The prospects for Democratic success were never better. according to the county chairmen, who said they would work hard from now until the votes are cast and counted.

Negro "American" Dance.

Negroes who are counted on thus far to vote the "American" ticket were entertained by Herr Checkmeister Darmer with a dance at Harmonie hall last night. The ball was largely attended. Music was supplied by an orchestra hired by Chairman Darmer, and the "American" fife and drum corps also turned out. Along towards 3 o'clock Mr. Darmer, G. M. Sullivan and Judge A. N. Cherry talked to the negroes about the great advantages to be gained by voting the "American" ticket. The function was voted a great success by all present. Dancing was continued until a late hour, but the white men did not remain for the finish.

Political Notes.

It was a dull day around Republican headquarters. The boys didn't seem to have much ginger and the doors were locked early in the evening. Chairman Eldredge will spend this morning trying to figure out how he, as county clerk, can arrange the new Democratic nominations as as to give the Republicans. tions so as to give the Republicans some advantage.

T. F. Thomas received a letter yesterday from New York announcing that the physician in attendance on W. H. Dale nad pronounced him out of danger. Mr. Dale was for some time desperately ill with pneumonia. The disease attacked both lungs and it was thought for several days that the sick man could not possibly recover. His friends here will be very glad indeed to know that the worst is over.

A voting machine was set up in the business office of the "American" organ vesterday and an hour later somebody telephoned Chairman Darmer that trouble was brewing. It developed that a staunch Democrat had invaded the sacred precincts and was carefully instructing all comers how to vote the straight Democratic ticket, saving not a word about the others. When it was suggested to him that there were other tickets he remarked that he hadn't heard of them, and went smilingly on his way.

Speaking of voting machines, there is a

One way is to pay no attention to it; at least, not until it develops into pneumonia, or bronchitis, or pleurisy. Another way is to ask your doctor about Ayer's Cherry Pectoral. If he says, "The best thing for colds," then take it. Do as he says, anyway. We publish the formulas of all our preparations.

The campaign committees are extremely desirous of educating the public to the use of the machines, and places for a number of them have been secured. But to get one it is necessary to secure an order rigned jointly by Mayor Thompson and County Commissioner Harker. Either one of these officials is hard to find and to find both of them is a task beyond the patience of most people. Much dissatisfaction has resulted.

The Allied Printing Trades last evening endorsed the six labor candidates selected by J. F. Lavery for the "American" ticket.
